Please note:

* One space = one semester (therefore a full year exchange = 2 spaces)

*** We have estimated the number of semester spaces available for U of G students at each exchange partner university as accurately as possible, but these numbers are subject to change.**

* It is not guaranteed that we'll be able to place students for 2 semesters. This will depend on the number of students who apply. If 2 semesters isn't possible at your first choice university, we will ask if you want to go there for only 1 semester or whether you prefer to be placed at an alternate university where 2 semesters are possible.
